WINTEC
Global Partners

Established in 2002, Wintec's goal is to be a leading provider of AIoT solutions, specializing in advanced R&D, manufacturing, deployment, and technical services. Empowered by a world-class R&D team and a robust technological ecosystem, the company delivers a versatile and cutting-edge product portfolio, including EPOS terminals, SCO, Kiosks, smart scales, ESL, digital signage, and application software.

Tailored for diverse sectors—ranging from supermarkets and convenience stores to retail boutiques, dining halls, and corporate facilities—Wintec provides agile, one-stop store AIoT solutions. By accelerating digital and intelligent evolution, we empower businesses to optimize operational efficiency and elevate the customer experience.
